The Vancouver Island Association of Wood Processors and its partners are pleased to announce Vancouver Island's premier valued-added event:

### The Sustainable Wood Products Conference & Tradeshow 2009

Friday and Saturday, November 20-21  
 Vancouver Island Conference Centre 101  
 Gordon St., Nanaimo, BC

*Building a resilient value-added wood sector connecting sustainable local wood products producers and buyers.*

#### YOUR \$150 CONFERENCE FEE INCLUDES:

- Conference Package, including Delegate List . Plenary presentations and choice of two workshops from a choice of four concurrent sessions.
- Panel presentations by leading architects, designers, and developers
- Entry to tradeshow exhibits
- Buffet luncheon and Networking Reception
- Post-Conference Directory

#### YOUR \$200 TRADESHOW PACKAGE INCLUDES:

- 8 x 10" Booth Space, 6'

This two-day event is a must for any value-added manufacturing business interested in the growing market for locally produced BC value-added wood products.

**Broaden Your Knowledge:** Learn about the sustainability qualities of your products, "green" secondary wood industry markets and forecasts.

**Meet & Network:** Hear what innovative companies are doing and what architects, designers and interior designers are doing.

#### Sponsors and Partners:

Skirted Table, 2 Chairs and  
750-Watt Electrical Outlet

- Full Conference Package, including Plenary presentations, workshops and panel presentations by leading architects, designers, and developers

- Buffet luncheon and Networking Reception

- Post-Conference Directory

designers, and developers looking for.

**Develop practical techniques:** Discover recession-proof marketing approaches you can use now and how to streamline your operation while ensuring quality control and customer satisfaction?

**Showcase Your Products:** Show what you have offer? Expose your unique products to specifiers, builders and the public at the Sustainable Wood Products Tradeshow.
